In RE: NARAL Pro-Choice America PAC (C90004185)
October Quarterly Report (7/1/12 to 9/30/12)

Dear Mr. Holly:

This is in response to your letter of June 10, 2013 concerning the above referenced report for NARAL Pro-Choice America independent expenditures.

You ask about disbursements disclosed in the committee's 48-hour reports that do not appear on Schedule 5-E of the quarterly report. The two items, totaling \$7,954.88, were 48-hour reported as being made on August 13, 2012. After the filing of the 48-hour report, the independent expenditures were delayed being publically disseminated by one day (to August 14th) and altered to include additional candidates supported and/or opposed. The filed quarterly report accurately reflects a) the date of the independent expenditure; b) the amount of the independent expenditures and c) the candidates supported/opposed in the independent expenditures.

It is hoped that the above is responsive to your concerns. Please be in touch should you have additional concerns or questions.

Sincerely,

Ezra Reese
Counsel for
NARAL Pro-Choice America
